

Dissolution of Priesthood/Deconsecrating of Priesthood *Osun Golden Harvest Temple*

QUEEN OLODE MOREMI OGBONI IYANIFA OSUN MONIFE

To Whom It May Concern :

I, Queen Moremi Osun Monife Balewa, am presenting this document on behalf of *Osun Golden Harvest Temple* to formally establish dissolution of Ile membership & Deconsecrating of Priesthood for Babalorisa Obatala Tade Ominiye Balewa. There have been several attempts made to resolve matters per the mandates/dictates under the Balewa lineage. Yet, matters haven't come to reconcilable and peaceful resolution. Furthermore, several oath mandates and Ifa Orisa taboos, which thus said member agreed to upon completion of priesthood into Osun Golden Harvest Temple, have been broken.

Due these violations and noncompliance, per IFA Orisa and Ile Protocol in *Osun Golden Harvest Temple*, Babalorisa Obatala Tade Ominiye Balewa is no longer recognized as a priest of Obatala in this temple. Furthermore I, Queen Olode Moremi Osun Monife Balewa no longer sanction any acts from the formerly mentioned priest to be a representation of the Balewa Lineage.

Respectfully,

Queen Olode Moremi Osun Monife Balewa
